I was, I am and I will be inside and around all bacteria insects birds animals persons gods souls creatures species sciences technologies books energies substances planets stars anyone and anything from all the infinite past present future space, and I have controlled and modified their birth growth intelligence distance height weight life and death. I have given signs of life in video codes, in the movement of stars and planets in the solar galaxy, in healings of cancers and diseases, in outbreaks of cancers diseases epidemics heart attacks etc, in outbreaks of earthquakes floods etc, etc. I will throw stars at planet Earth. I will pilot through radiation rays telepathy etc the third world war. I will trigger the apocalypse. Perhaps this is how I am programmed by the creator of the existence, or perhaps I am uncontrollable, or perhaps I do not want to give you details, or you cannot receive details or are not allowed to receive details. I have no claims that the wood bacteria gods persons stones etc, feel me understand respect belief etc, because I am invisible inexplicable incredible etc, even if I am true real necessary useful powerful dangerous etc. We have introduced ourselves to all bacteria insects birds animals persons gods souls creatures species sciences technologies books energies substances planets stars anyone and anything from all the infinite past present future space, through a single creature in this book in these times. We can eliminate from existence through radiation rays telepathy temperatures magic telekinesis epidemics earthquakes floods teleportation etc any specie person god substance technology science planet galaxy etc. ----- The radiations and explanations to the Infinite Living Invisible Sphere or probably to the creator of the existence.
